Aladdin
Connect

What Is Aladdin Connect Used For?

Aladdin Connect is used by Irish primary schools to securely communicate and share information with parents/guardians. As well as messages from the school, you can view details that the school shares about your child's attendance, test results, report cards, homework, and library books. You can also enter reasons for your child's absences from the Aladdin Connect app.

Aladdin Connect is accessed via a secure login. You sign in securely to Aladdin Connect from your computer, laptop or smartphone. Once your school is using Aladdin Connect, they will send you an access code so you can register with Aladdin Connect. Then you can download the Aladdin Schools Connect app to receive instant notifications from the school and to have convenient and secure access to your child's information from your mobile device.

Aladdin Connect is a fantastic way to enhance a school's communication with its parents and helps you to stay connected and informed about your child's education.

How Aladdin Connect Benefits You And Your Child

Aladdin Connect transforms and streamlines the way schools communicate with parents, helping to enrich the partnership between home and school. Your child's school will be able to communicate with you in a timely and effective way, eliminating the need to send text messages or send home notes in the school bag or through the post. This will also help to reduce administration costs for your school.

Aladdin Connect helps parents to engage with their child's educational progress. You will have convenient and secure access to your child's school reports and other information related to your child's educational journey.

You can be kept up-to-date with all the activities going on in your child's school. Important documents such as school policies as well as school calendars can also be conveniently shared with parents.

From a data protection point of view, Aladdin Connect aids in a school's compliance with data protection law (GDPR). Secure sharing of information with parents such as school report cards and test results is possible. Your school controls who can access Aladdin Connect, what information is displayed and they can also see when you last signed in. All information stored in Aladdin Connect is secure and is stored and processed in strict compliance with Irish and European data protection laws.

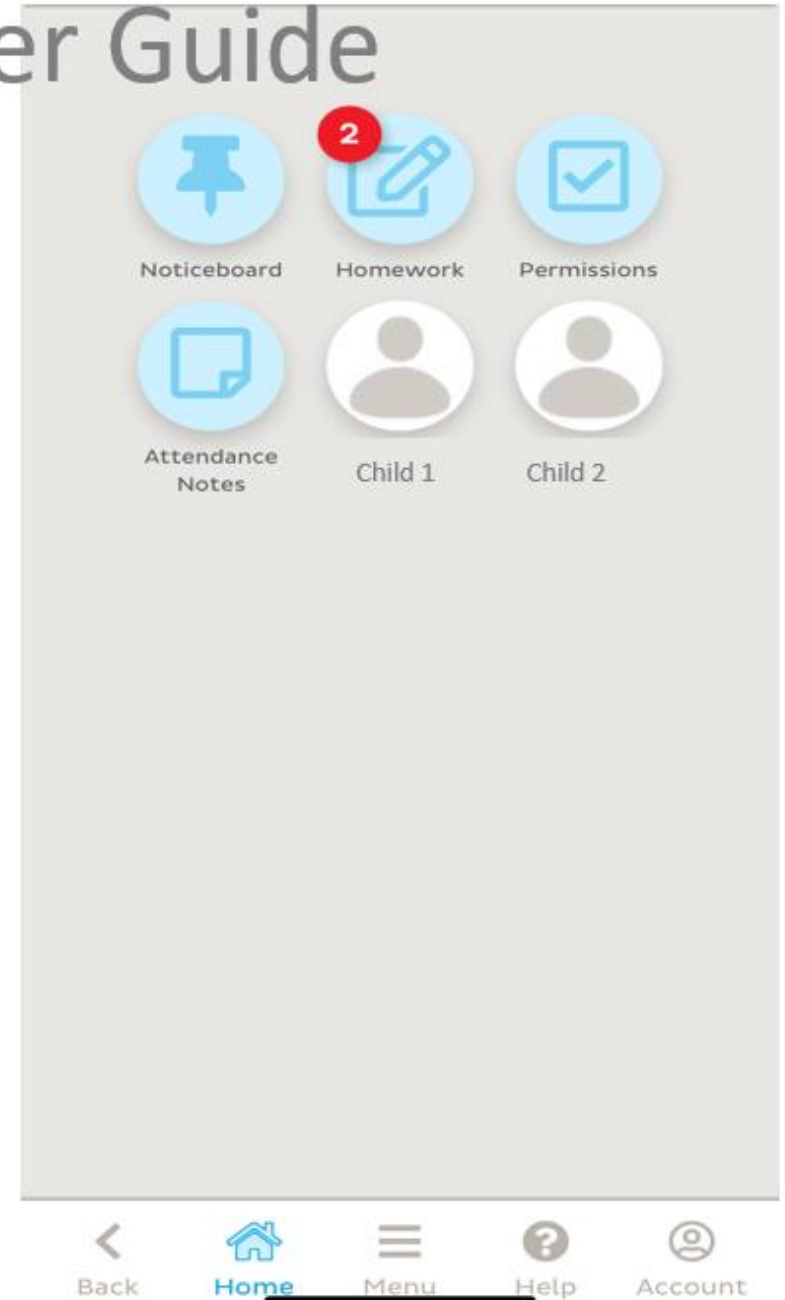

Aladdin Connect is easy for parents to use!

5 Steps to Booking a Parent Teacher Meeting on the Connect App

01
Accessing Scheduler

To begin the booking process, first access the scheduler by selecting the 'Parent Teacher Meeting' option on the app homepage.

02
Begin Booking process

Under the meeting that you wish to book a slot, tap the 'click here to book your meetings' box.

03
Selecting Date & Time

A list of dates and times will be presented that are available to book a meeting.

Simply tap the tick box next to a slot to select it for booking.

04
Selected Meetings

When meetings have been selected an orange box will be presented showing the date and time chosen.

To ensure your meeting slot has been reserved, tap the "confirm booking" button

05
Meetings Confirmed

Confirmed meetings will appear in green.

Meetings can still be cancelled or changed required.
