

FREE HOT SCHOOL MEALS

Every school child in Ireland will be receiving free daily hot meals from 2030. Because your school is on board with us, your child is entitled to our service!

FUELLING FUTURE MINDS!

Hot meals throughout the day are proven to boost immunity, improve academic performance and build a positive peer association with meals!

HEALTHIER,
HAPPIER KIDS!

WHO ARE THE LUNCH BAG?

We are a healthy school lunch service, based in Tipperary. Together with our suppliers, we are committed to sourcing the finest, freshest ingredients and the highest quality food! We individually pack and label every lunch and deliver them to your child's school every day. Lunches are heated onsite before consumption to prioritise safe and healthy eating.

KEEPING YOU IN THE LOOP

We provide waste boxes for storing childrens leftovers (not for reheating!) By reviewing what your child has eaten you can adapt other meals and adjust your orders accordingly.

OUR MENU

Our dietitian has developed daily menus with over 30 options each week, catering for all types of tastes and ensuring that children meet their nutritional needs!

OUR CHILD-FRIENDLY APP

- A** Your child will get an activation code once they start school
- B** Use this code to create your account on our app
- C** Select any allergens or dietary requirements
- D** Place your order up to 36 hours in advance!

Remember, updating your order regularly keeps kids motivated and excited for their lunchtime delivery!
